

CRICKET SIZE GUIDE

HOW TO MEASURE

1. Lay your previous favourite garment flat on table.
2. Use a tape and measure down 4cm down under armpit.
3. Use a tape to measure across front chest as shown (A).

A = Half Chest is the most important measurement.

Determine the measurement in cms and compare against the provide chart for that garment.

Sizing changes with different garments as garments are designed to be worn differently.

eg, A measurement of 56cm across the front chest equals Med.
